Dear Mr. Carrillo:

I am in receipt of your email of November 16 about your Tennis Scorekeeper/Scoreboard. Yes, I am quite interested in pursuing a presentation of this product to our company. I think if the item works, functions easily, is not easily broken, and the price is in a range that is affordable by a significant number of potential customers, we would have a strong interest in pursuing the development of this product. Please get back to me with where you are located and when we can get together.

Sincerely Yours,

Bob Hellerson
